

Happy 11th Wedding Anniversary, Kelley!

Description

Yep, it's our 11, yes, 11, year wedding anniversary today. Can't believe I've been married to this beautiful woman for 11 years!

Babe, I know we bicker often, but hey, like Abraham Lincoln said:

No matter how much cats fight, there always seem to be plenty of kittens.

Although weâ€™re done making kittens *meow*. But Iâ€™d our 2 kittens are pretty cute! And, realistically, annoying at times. But just loooooookkkkâ€™â€™.

Itâ€™s been a long time since I actually posted life happenings here, but I had to make it known to the world (or readers of this post) that I am happy to celebrate 11 years of marriage with my wife. We have such an awesome little (but growing too fast!) family!

I love you, Kelley, always!
