

ABCs of Racing – A Kid’s Series about Racing

Description

ABCs of Racing teaches concepts about racing with Red Racer as your guide. Full of gorgeous illustrations, the pages are inspired by actual tracks and racing situations around the world, to engage both kids and parents. This is not your ordinary ABC book!

- 34 vividly illustrated pages that follow the alphabet with explanations for each new racing term!
- Great for kids of many ages, particularly for 3-8 year olds.
- Easy to introduce concepts and terms around car racing for your kids, but fun for adults, too!
- Available in both English and Spanish versions, with over 10 different definitions and images across the two.

Preorders are available at <http://redracerkickstarter.com/> . The Kickstarter just launched on 2.22.22 and were already awarded a “Project we Love” badge. They are close to 50% funded with 26 days to go. The books go for \$20 each but there are plenty of cool custom rewards and add-ons too you will want to check out.
