

Little Piggie Shoe Horns

Description

You all know how I love to share interesting things for parents, and hope youâ€™™ll want to check out these awesome [Little Piggie Shoe Horns](#) that my kids just received as some SWAG! They love getting SWAGâ€™™, but hey, who doesnâ€™™t!!

As parents we all want the best for our children. Getting little feet into tiny shoes is frustrating for kids and parents. [Little Piggie Shoe Horns](#) patented technology relieves parents of this struggle and promotes self-reliance and independence among Preschool and School-Age Children, by teaching them to put on their own shoes.

Little Piggie Shoe Horns are designed to help children ergonomically and easily slip their shoes on their own two feet!

They are fun and easy to use too!

No more hassle, no more stress, no more rushing out the door. My kids are certainly enjoying them..

Little Piggie Shoe Horns is an Award-Winning, USA-Made Product that The National Parenting Center has recommended for its innovation. With Two U.S. Patents, the technology behind Little Piggie Shoehorns positions little feet to slide easily into their tiny shoes. We are also a US CPSIA Certified Childrenâ€™s Product made with safe non-toxic materials. A Quality Product Parents Trust!

Little Piggie shoe horns were created by innovator Tina Bagon who is a disabled inventor and an amazing mom herself.

These awesome shoe horns come in 5 colors and shapes:

- Pink Butterfly
- Yellow Monkey
- Blue Foot
- Green Frog
- Red Owl

I hope you feel inspired to check them out and if you buy any please let me know! Click here to see them all. <https://brightkidsllc.com/>
