

I Can Be an Ultimate Ninja • “Hit the Buzzer” • How All Kids Have Ninja Power Within

Description

As American Ninja Warrior fans, we have been captivated by so many Ultimate Ninjas and learning about the obstacles they overcame to reach their goals. As parents, we love seeing how excited our kids are to watch people from all over and of all ages push through their hardships while supporting each other along the way. Some of our favorite Ninjas, Jesse Labreck and Mike Silenzi, along Jeff & Jackie Piejak, founders of Ultimate Ninjas, published a book, [“Hit the Buzzer \(I Can Be an Ultimate Ninja\)”](#), to reach out to kids and let them know that they can follow their dreams too.

This is the description on the book’s [Amazon page](#):

Ever thought about the incredible feats achievable with sheer determination?

Hit the Buzzer (I Can Be an Ultimate Ninja) is an inspiring journey alongside a young boy who dreams of becoming a ninja. Eager and determined, Liam dives into the world of ninja, only to discover that the challenges he faces are far tougher than he ever imagined.

Here’s a recent editorial quote:

“Treat yourself to an inspirational tale of overcoming the odds. With indomitable will, resilience, and perseverance, humans are capable of mastering whatever they set out to do. This message is beautifully incorporated in Hit the Buzzer – a picture book for young readers. Authors Mike Silenzi, Jesse Labreck, Jackie Piejak, and Jeff Piejak tell a heartwarming tale that showcases the power of the human spirit and how it gives us the strength to conquer our doubts and fears. Anyone who has ever played sports or participated in any athletic activity as a kid will be able to relate to Liam. As a reader, you can’t help but root for him. I also loved how coaches Mike and Jesse offered him the necessary support and encouragement to achieve his dreams. The illustrations by Alejandro Echavez make the story even more enjoyable for the young reader. This is a motivational book parents that should definitely introduce to their children. Highly recommended.” Readers’ Favorite 5-star review

Give it as a gift, get it for your kids, or do both, but know that this will be a fun and powerful way to get kids to be more active and maybe set some of their own goals to work towards.
