

“Two Me’s For Little Monk”: A Heartwarming Book for Kids

Description

[“Two Me’s For Little Monk”](#) is a captivating exploration of self-discovery and acceptance, masterfully penned by Ben Carrettin. This engaging narrative follows the journey of Little Monk, a young protagonist grappling with the complexities of his emotions and thoughts. Guided by the wisdom of Wise Monk and accompanied by an array of intriguing characters, including an elephant and an octopus, Little Monk embarks on a journey of self-understanding. This Read-And-Talk-With-Me book is an ideal tool for sparking meaningful conversations with children about their feelings and thoughts. The second book in the Little Monk Series will be available later this year.
