

WIZARDS & WEREWOLVES® BY STARLUX GAMES

Description

If you enjoy board games with friends and family, [Wizards and Werewolves](#) is a new game that's perfect to play around Halloween and, well, any time! My kids are at the age where they want to play card and board games, and I already know we'll be playing this game as Halloween gets closer...then probably keep playing after.

Here are a few key detail about the game, you can read more and order the game from their website.

- Bring fantasy to life with this glow-in-the-dark night game that's part "hunt and go seek," capture the flag and zombie tag " with unique player powers
- This game is for 8yrs+, 4-10+ players: Werewolves hunt Wizards and Wizards search for glowing crystals to increase their power " it's a thrilling neighborhood game for boys, girls, teens and adventurous adults
- It's an active alternative to "sit around" activities for fantasy genre lovers: step away from the video games, board games, books and movies and GET OUTSIDE

- Play again and again! Ensure hours of play with bright light up game pieces, all required batteries and 3 levels of gameplay, keeping the game exciting for new and advanced players
- Unique and great gift idea! It's a memorable holiday or birthday gift for kids, grandkids and the whole family; a great alternative to fantasy toys, laser tag, LED balls, backyard and lawn games. It would make the perfect Halloween game!
