How many of you have dogs? They're our best friends and protectors (or supposed to be), and just like our kids, we want to keep them happy and healthy. Thankfully, Purina Beneful has a many options to do just that for our beloved canines.

If you're a current customer, you'll notice Purina Beneful® Dry Dog Food has a new look with the same great taste! Or at least your dog knows about the taste part. ð™,

But, did you know you can discover your dog's "flavor personality" and be entered for a chance to win a \$1,000 American Express gift card and more? Maybe you're feeding them something they aren't too excited about anymore or is just not the right fit for them. With so many options to choose from in the Purina Beneful lineup, now's the time to take the test and see what they'll really happy to find in their bowl.

After taking the flavor personality quiz, did you find one of these fine products as the right choice for your furry companion?

If you're still not sure about changing your dog's food, here's a few words from the Purina team to help you out.

- Beneful is a safe and healthy dog food that brings nutrition and happiness to more than 15 million dogs every year
- We love dogs, and the foods we make for your dogs are the same foods we feed our dogs. Our number one commitment is the health and well-being of pets.

- Beneful has new packaging but still has the same great taste.

Make sure to take the quiz for your best friend and maybe you will both be rewarded as a result. How does a tasty and healthy meal for them, and a \$1000 American Express Gift Card for you sound? Yeah, sounds good to me too.

After taking the quiz, please come back and tell me which product your dog will be lucky enough to have served. Ours will be enjoying the Healthy Weight Dry Dog Food. Iâ€™m still waiting to hear back about winning though!..fingers crossed!
