

PicturesOnGold.com Stainless Steel Photo Dog Tag & Keychain Father's Day Giveaways!

Description

What's better than one Father's Day giveaway? TWO Father's Day giveaways, of course!

Yep, my friends over at PicturesOnGold.com are going to give one lucky reader a [Stainless Steel Photo Dog Tag Pendant with 24 inch Ball Chain](#) and another reader a [Stainless Steel Engraveable Photo Laser Keychain](#).

Both items are high quality and make [a great Father's Day gift](#). In my opinion, photo gifts are perfect for any dad/husband as they capture a certain time cherished by everyone and put it on something he will have forever.

Having a bad day? Just imagine looking down at the photo of your kids on a Stainless Steel Photo Dog Tag. The keychain offers the same smile-inducing effect, only it goes on your keys. If your smiling kid(s) can't help cheer you up, well, then I don't know what to say.

Enter to win the Photo Dog Tag below.

Valued at \$50 and is available in stainless steel or gold tone with the option to engrave a message on the reverse side.

Engraved pictures are scratch and water resistant which is a must because what good is a picture if it's too scratched up to see?

Enter to win the Stainless Steel Photo Key Chain below.
