Baby Facial Expressions. Because, Why Not?

Description

The Monday after a July 4th weekend is perfect for a picture-themed post.

We had a great, but exhausting time spending two nights at G-Maâ€™s for the first time. After making it back home on Sunday, Going Mom and I ran around doing chores and tending to the yard.

I will have a recap of the weekend up soon, but in the meantime, here are several pictures of Averyâ€™s cute, sometimes eerie, facial expressions Iâ€™ve been able to snap a shot of.

Iâ€™m not sure why, but Iâ€™m going to cry and play.

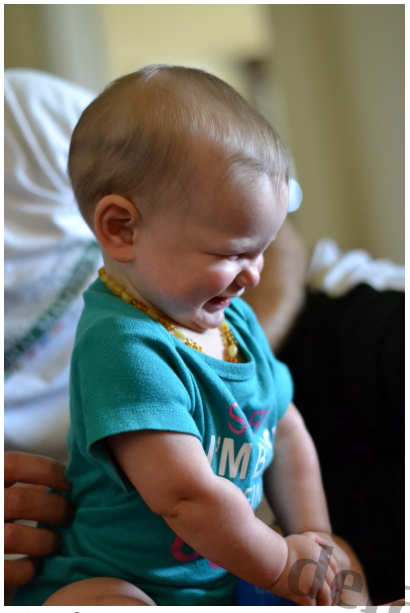
Oh no! What have I done to the bear!?



Thatâ€™s so funny I justâ€¦.oooohhhhâ€¦.umm, Daddy

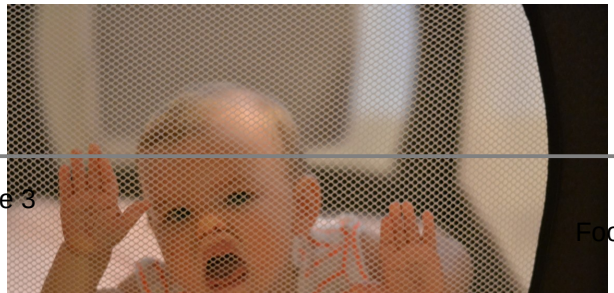
My Mom, you canâ€™t have her!!

The ball wasnâ€™t being niceâ€¦â€¦.so I ate it.

Oh right! I pooped!!

Iâ€™m really not in the mood for tickle birdsâ€¦.

I wish I knew what G-Ma was whispering in my ear. Hmm, I wish i knew what an ear wasâ€¦..



Mommy said bath time, I say bahhhhhhhhh!

I thought itâ€™d just be a fartâ€¦.

I wish I was down thereâ€¦..crawling

Hope everyone has a great day and start to a new week!
