

In the Mind of a Crawling Baby: The Beginning

Description

So close, if only there was a way to get closerâ€¦

Ah Ha, got it!!

Now that I can crawl, they give me this thing? What am I supposed to do with *this*?

I think Iâ€™d rather work on my pull-upsâ€¦

Okay, another day of crawling! I can go anywhere!!

Ooooo, a springy thing!

Guess Daddy didnâ€™t want me playing with that. Iâ€™ll show him; Iâ€™ll climb on this box!! Grrrrr..

Crap, thatâ€™s not how I planned it. #babyfail

Oh, I see, now that I move more, they put me in a cage. Didnâ€™t Mommy and Daddy *want* me to crawl?

Seriously, Dad, you suck the fun out of crawling. I donâ€™t care about your stupid [Ninja Turtle fort](#).

Yes, freedom! Hi dog, you should feel lucky they donâ€™t put you in that fort/cage.

Come to think of it, Iâ€™m starting to like this area. And Dad, your TMNT blanket isnâ€™t that bad, sorry for the harsh words.

Plus, in here, I can practice my pull-up and standing skills!

â€™m just not getting that full standing position. Today WILL be the day!

Oh look, a hair.

Lucky animals, living cage-free. Come here cat!!

Fine then, donâ€™t listen to meâ€™!.Iâ€™ll pull your hair eventually!

Nice, new territory to explore at [G-Maâ€™™s!](#) Hope that photo-bombing dog keeps his distance.

One thing that sucks about visiting other places is I donâ€™t have my crib to sleep in. So, Iâ€™ll just do the opposite of sleepâ€™!.

Back in the cage!..starting to get annoyed with it again.

Phew, guess my whining paid off, I love exploring the kitchen more. Maybe I can climb these!

Oh, hi Dad. Maybe, I can't climb those?

Iâ€™ve been crawling for a while now, but I canâ€™t find that darn spoon. Anyone know where it went?

Ahhhh, found you, spoon!! Come here!

Yay, Mommyâ€™s home! I can count on her to bring me somewhere new. Like the bathroom where my pink ball is hiding!!

MINE!! I love crawling to things!!

Yes, Dad, I see the camera, hereâ€™s a pity smile with a squinty eye and my snaggletooth. PS â€™m going to walk soon and drive you even *more* crazy!

See, what did I tell you? Here I go!!

Crap, never mind. But next time, Iâ€™™m gone!

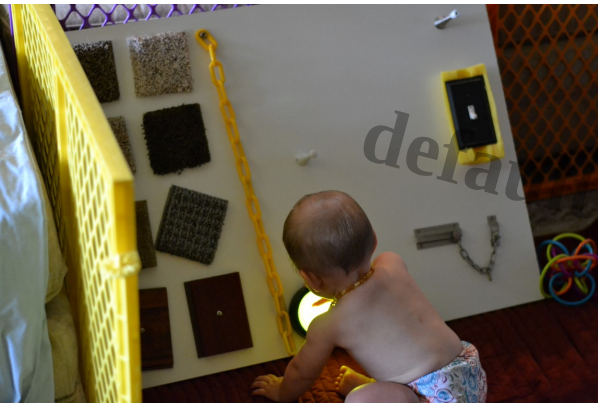

It was the bearâ€™™s fault, he was talking smack! Listen here bear, Iâ€™™ll show you!!

Done, he wonâ€™™t mess with me again. Now, what do we have over hereâ€™™!.

Câ€™mon, Dad, you couldâ€™ve let me go a little further! Ooooo, a light..

Back in the baby jail again. I gotta find a way outta here. Yes, this is it, this is the time I make my escape!!

Blast! Hand grip has failed me once more!

Maybe Iâ€™™ll have better grip over hereâ€™™.

Well, it kinda worked, but more because Daddy brought me to the kitchen. Hey, nice shoe, can I eat it?

What? How dare you say no! Iâ€™™ll show you NO!

See, Iâ€™ll move this rug however I want!

Geez, I just got really tired. Must be the rug moving and climbing.

Time for a torpedo-shaped napâ€™!

Wow, now they have a cage for me at dinner time? Ha, I found a way out!

Didn't get too far. I don't want to be in this highchair, if you can't tell.

Ummm, Dad, something's wrong with your foot.

Iâ€™ll just crawl right over that thing andâ€¦

â€¦hey, who straightened the rug?! Iâ€™ll fix that. All better!

Last attempt for a while, I.Am.Going.To.Do.This

Nooooooooooooooooooooooooooooo
