

Happy 60th Birthday, Mom / G-Ma!!

Description

Thatâ€™s right, today is my beautiful motherâ€™s (Averyâ€™s G-Ma) 60th birthday! As we speak, I have Aerosmith and The Rolling Stones heading to her home for a private concert and just to hang out.

If youâ€™re confused by me saying â€œas we speakâ€, thatâ€™s kinda what I was going for. Obviously we arenâ€™t speaking, just like *obviously* I could never afford a private concert for my mom with some of her favorite bands. Yeah, yeah, corny joke, I know, but thatâ€™s just how I â€œrollâ€. Yep, just like â€œThe Stonesâ€.

For your [last birthday](#), I shared several pictures of you and Avery. This time Iâ€™ll share the very beginning at 2 days oldâ€.

G-Ma and Avery; just 2 days old!

And then most recentlyâ€¦

Lotâ€™s of changing happened in between, but your love remains unwavering!

Anyway, Mom, no one could ask for a better mother or G-Ma than you. I love that Avery gets the privilege of growing up with you in her life just like I have and look forward to many years to come. Although I donâ€™t always act like it, you mean the world to me and I am grateful for everything you have done and still are doing.

Happy 60th Birthday, Mom / G-Ma! We love you!

PS: I asked Avery to work her magic with about the private concert and sheâ€™s taking the task pretty seriouslyâ€¦..

Be on the lookout for a band with a big mouth as their logo and a band with a big mouthed singer.
