

Things Are Looking Up: #MySundayPhoto

Description

Can you believe I havenâ€™t had a #MySundayPhoto post since October of 2015? Geez, my wife and I have only taken about several thousand pics of our daughter since then. Iâ€™m sure you are all dying to see every one of them, right?

If not, câ€™mon, just humor me. Any parent knows, *their* kid is the cutest, most adorable thing in the world.

Todayâ€™s pic reminds me a #MySundayPhoto post I shared last July.

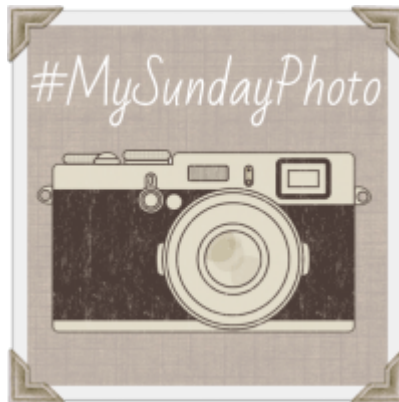

Her [beautiful blue eyes](#) (and hair and personality and craziness) have only grown deeper with an intensity that fills our hearts full of love.

Am I right or am I right? Oh, I know, Iâ€™m right! #ProudParents

Okay, biases as a parent aside, Iâ€™m just happy to join back in on the #MySundayPhoto fun. Always enjoy and appreciate Darrenâ€™s posts and fun linkup. Be sure to check out his blog full of beautiful pics and maybe share your own #MySundayPhoto!
