

What Toyota Model Is Best for Families?

Description

When you have kids, much less a whole family, the most important thing to you is their safety. Part of proper safety is getting a family-friendly vehicle, one that you can be confident will keep you and your loved ones out of harm's way in the event of a vehicular collision.

Toyotas are said to be one of the best vehicles in terms of their longevity. However, they're also great in the safety department as well. Below are some of the best Toyota models for families.

1. Toyota Highlander

Spacious but not too large, the Toyota Highlander is an easy-to-drive family-friendly vehicle. It offers a spacious backseat, a decent-sized trunk, and has advanced technology as a bonus. Enjoy its lane departure alert, automatic high beams, radar cruise control, and lane tracing assist.

Due to the size and comfort of this SUV, you can do just about anything with it, from heading to the grocery store, driving to work, or even taking the whole family on a trip.

2. Toyota Sequoia

If you're wanting a more masculine-looking vehicle than the Toyota Highlander, the Toyota Sequoia might be the right fit for you. Some of its top safety features include lane department alert, pedestrian detection, a pre-collision system, automatic high beams, and dynamic radar cruise control.

Apart from being phenomenal in the safety department, the Toyota Sequoia makes for the perfect vehicle for family trips, thanks to its ability to tow trailers, boats, you name it.

3. Toyota RAV4

The Toyota RAV4 is a great option if you're looking for a family vehicle with [great fuel economy](#), a smooth drive, and the ability to drive on different terrains. Consider this vehicle if you drive long distances, plan to travel frequently, or live in an area with high gas prices.

Safety features of the Toyota RAV4 include precollision system, dynamic radar cruise control, automatic high beams, and lane tracing assist, among others. You can count on the RAV4 to be a great vehicle to take on trips with the family.

4. Toyota Venza

Expect your Toyota Venza to deliver style, great fuel economy, and high tech. Modern is the best word to describe it. Features great for the whole family include its premium sound system, wireless Apple CarPlay, and Android Auto with voice command.

Safety-wise, enjoy pedestrian detection, steering assist and lane departure alert, road sign assist, and much more. In fact, the Toyota Venza earned the 2022 IIHS Top Safety Pick.

To learn more about family-friendly Toyota options, head on over to your nearest [Toyota SLC UT](#) dealership today. Perhaps look at and/or test drive some vehicles to find out which one would be best for your family.

Conclusion

It's true that not every vehicle is the safest for families, especially young children. But Toyota is here to save the day with their sturdy, long-lasting, and safe vehicles. From the Toyota Highlander to The Toyota RAV4, there are plenty of Toyota models that are safe for the whole family.
