

Bobcat Butt Hugs: #MySundayPhoto

Description

This past week, we ventured through new territory on her [WOOM 1 Balance Bike](#) to explore the construction trucks in our neighborhood. Avery will call out a bobcat from a mile away, and when thereâ€™s multiple, her excitement can hardly be contained.

default watermark

When we happened upon these two skid-steer loaders (we just call them all Bobcats for Avery) parked back to back, she proclaimed they were giving each other butt hugs. Hence, bobcat butt hugs. Canâ€™t really say sheâ€™s wrong, but I guess it would make for an awkward explanation if she were

to say outloud around a group of people. I have a feeling itâ€™s comingâ€¦!

Iâ€™m loving the adventures weâ€™re going on, and we are so proud of our little girl covering new ground and going farther than ever. Before we know it, sheâ€™ll be racing several miles on her bike while leaving mommy and daddy in the dust. The clichÃ© of kids growing too fast also means *going* too fast in this case.

Another big thanks and shout out to Darren and his fun [#MySundayPhoto linkup](#). Check out his blog full of beautiful pics and maybe share your own #MySundayPhoto!
