Our Baby Gives a Tour of the Kitchen

Description

Hey there! Howâ€™s it going? Hope your weekend is off to a great start!

We are hanging at G-Maâ€™s house for a second night, and enjoying each otherâ€™s company as Avery keeps everyone entertained. Now that sheâ€™s crawling, things are definitely more interesting, and itâ€™s hard to keep up with this girl! What happens when they start walking?

Walker in training.

Maybe we should look into those leash and harness contraptionsâ€¦.

The other day, while I was in my home inside our home, the kitchen, Avery wanted to give a pictorial tour of our kitchen and dining area. I told her no at first, but then she turned on her super cuteness and I cavedâ€¦

But donâ€™t you love me, Daddy?

And so the tour ensued. Enjoy!

Oh, hi there, welcome to our kitchen! As you can see, behind me is the fridge and freezer. Itâ€™s nice and silvery; perfect to see my fingerprints on!

And right here is the oven, where Daddy does his baking and roasts a lot of vegetables.

Itâ€™s also silvâ€¦.oh hey, look, I can see myself!

Pretty cool, I can see other things too. So shinyâ€¦.

Huh? Oh yeah, the tour. Sorry, I love seeing myself.

And this right here, is one of our two bar stools for the island. Mommy sometimes holds me as she tries to eat, but I play a game called â€œgrab everything and shake it while making your body go straightâ€•. So far, Iâ€™m winning.

I also like to practice pulling myself up on it like thisâ€¦

But Iâ€™ll save that for later, letâ€™s move on to the dining room.

Here is our dining room. This is where we sit down to eat at night and Iâ€¦..oh, itâ€™s Lou, our fat cat.

Let me just go try and grab some of his hair out really fast.

Nope, wait, stay right there, Lou.

There you go, hold that tail still and Iâ€™ll be right there.

Well crap, he didnâ€™t listen.

If I can just make it over this electric cord to Louâ€¦

Oh, and here we are back at the start. I guess Daddy didnâ€™t want me giving any more of the tour.

Thanks for visiting, that makes me happy. Until next time, hope you have a great weekend!
