

Ocean Jubilation: #MySundayPhoto

Description

We returned from a family beach vacation in Corolla, NC a week ago. It was Avery's first time to see the ocean, and everyone's first time in the Outer Banks. I'm sharing our trip via posts one day at a time. As I write this, I only have up to day two written, but the biggest takeaway has already been established; Avery loves the ocean!

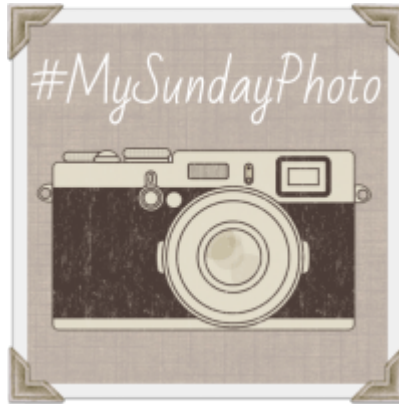

From the first day to the last, our sweetheart relished her time on the beach. This picture, taken by my wife, captures her jubilation perfectly.

Spending time together in the salty water and sandy shores had us bonding as a family with experiences. No big plans to manage, just pure fun enjoying life's simple pleasures together.

If you care, you may follow along in more details as I share each day of our trip. Check out [our first day of just getting there](#) and our [second day soaking up all the ocean](#) has to offer. Make sure to check back for the rest of the days. Not sure how long it will be, but the entire trip will hopefully be re-lived soon enough.

A big thanks to Darren and his never dull [#MySundayPhoto linkup](#). Check out his blog full of beautiful pics and join in on the #MySundayPhoto action!
