Finding the right gift for the holidays can be an anxiety-ridden experience. You want to find the perfect present but you don't want to strain your bank account and your wallet. Instead of floundering for ideas, here are 10 of the best holiday gift ideas for both men and women.

1. Personal Ice Cream Maker

One of the best gifts you can place some [holiday gift stickers](#) on is a personal ice cream maker. Not only is it fun and easy to use, but it also makes the perfect portion that can be enjoyed in one sitting. You can customize your ice cream to your tastes, so you can have it any way you want.

2. Exfoliating Shower Towel

The secret to glowing skin is to get rid of the dead skin and top, and you can achieve that with a great [exfoliating towel](#). You'll have soft, clean skin in no time, and with very little effort.

3. Power Scrubber Cleaning Kit

Are you getting tired of scrubbing out your sink and drain? The job is made much easier with these neat brushes that you can attach to any drill. [Get the dirt out of that grout](#) and make your baseboards look brand new again.

4. An Ice Roller

An ice roller is the perfect remedy for those who experience headaches on a regular basis. It can also get rid of puffiness under the eyes. Just place in the freeze and start rolling over your problem areas to make them go away.

5. Cotton Sleep Eye Mask

Have a problem staying asleep when the sun starts to rise? Consider a cotton sleep mask to improve your quality of sleep and stay asleep for much longer. It's soft and comfortable, and won't get tangled in your hair while you wear.

6. Knife Set

Have someone special in your life who is an avid cook? They'd probably appreciate a quality set of decent knives. You want to look for knives that are easy to clean and keep sharp so that you're not giving them a harder job to do while cooking.

7. Instant Photo Printer

An instant photo printer is the best way to get your photos off your phone and memorialized in a way that you can share with friends and family. The printer can even add filters and borders to your photos to spice them up.

8. Mini Fridge

A tiny mini fridge with a handle is a great way to keep your drinks cold. It's perfect on a spring day and you want to go out on a picnic lunch. No more lukewarm tea or watered-down drinks while you're trying to enjoy the warm weather.

9. Mini Security Camara

It doesn't hurt to have an added layer of security in your home with a small mini camera that you can place anywhere in your home. Pair that with a memory card to record any videos, and access the camera through a phone app, and you're all set.

10. Rechargeable Toothbrush

Although we'd all like to think that we're doing a good job of brushing our teeth, an electric toothbrush can definitely do the job a lot better. Having a rechargeable toothbrush means that you can take it anywhere with you. It's the perfect gift for the traveler in your life.

Finding the right gift shouldn't make you want to pull your hair out. It just takes a little ingenuity, patience, and some research to find the perfect present.
