

PicturesOnGold.com Sterling Silver 2 Photo Heart Locket Mother's Day Giveaway

Description

Mother's Day is fast approaching, do you have a gift for the loving mothers in your life? If you're like me, probably not (sorry, mom and wife), but never fear, PicturesOnGold.com has the perfect gift they'll cherish for years. A personalized Sterling Silver 2 Photo Heart Locket that you create using their super simple [Design Your Own Locket](#) feature.

default watermark

As is, this Sterling Silver Heart Locket makes a delightful gift for any friend or loved one. But add your personal touches with the Mother's Day clip art and engraving options from PicturesOnGold.com along with your own pictures, and you'll have a unique gift that's sure to warm their heart.

The best part is that you don't have to step foot in a store filled with the same old generic gifts. No, they deserve something special, and thanks to PicturesOnGold.com, you can [Design Your Own Locket](#) online right on your desktop or mobile phone. Just make sure there are no peeping eyes around when you're creating this elegant locket.

The entire process is easy, and even kind of fun. Just go to the Build Your Own Locket section on PicturesOnGold.com to get started. From there, you will be guided through the steps to creating your custom [photo lockets](#).

1. Customize the Front Side of the Locket by selecting clip art from the Mother's Day category.

This is a preview of my design. I chose to have a message on the right side instead of another photo. I didn't do it on mine, but I think this would be a great area for cute note or a popular phrase in your home at the time.

This is a perfect way to capture pictures of your little one's innocent (most of the time) faces inside lovely [silver or gold lockets](#) for all of the passionate mothers in your life. Years down the road, when those sweet faces are all grown up, these [lockets](#) will be a priceless way to reflect on the past. No matter where they are, they can open their personalized heart locket to the little ones when they were still a little.

Are you ready to create your own [lockets](#) to give to the deserving mothers in your life? What if you could win the chance to Design Your Own Sterling Silver 2 Photo Heart Locket on an 18 inch Sterling Silver Box Chain with Lobster Claw valued at \$124.95?

Sound good? Thanks to the kind people at PicturesOnGold.com, I am able to offer one of you the opportunity to win this wonderful gift. Just follow the directions below to enter to win. **The giveaway will end on Saturday, May 7th**, and I will announce the winner soon after.

Please make sure to share this giveaway on your social media pages. Even if only one person will win a Sterling Silver 2 Photo Heart Locket, everyone will win by creating and giving one to who we love mostâ€”Mom.
