

#MySundayPhoto “ 02.08.15

Description

I want to write a little, so I’m making my Silent Sunday post separate from #MySundayPhoto from now on.

My wife ordered Avery’s first pair of shoes, [TOMS](#), and this is her first time wearing them outside. She stood at the end of our garage just staring out for a bit before stepping further outside. I love her stance and the toy turtle (my favorite animal) somewhat by her side.
