

I'm in a Book! Clash of the Couples: A Humorous Collection of Completely Absurd Lovers' Squabbles and Relationship Spats

Description

Okay, so I, along with 42 other writers are in the book. Either way, I just excited to be a part of the thing as this is completely new to me.

When I first heard submissions for a new book were being accepted several months ago, I took a shot and sent in a story about how Going Mom and I argued over how to properly feed Avery.

My wife, armed with her boobs, versus me, armed with a bottle. I weigh the pros and cons of both, but you'll have to read the full story when the book is released on November 3, 2014 to find out who I deemed the winner.

OF THE

Couples

A HUMOROUS COLLECTION OF COMPLETELY ABSURD
Lovers' Squabbles AND RELATIONSHIP SPATS

WRITTEN BY SOME VERY BRAVE MEN AND WOMEN

Here's a blurb on the book and what you can look forward to reading. At the end is a lineup of all the writers in the book.

Coupledness. Fact or fable, Adam and Eve birthed the perpetual relationship drama as seen on TV today. Despite the serpents, this couple HAD IT MADE. Luxury real estate, lush

gardens, and privacy out the yin-yang. Life was glorious until the bare-bottomed babe could no longer resist temptation. Despite her better half's warnings and threats to sleep in a tree, she tasted the forbidden fruit. One bite of that seductive, juicy contraband and the stage was set for eternity—a nibble that has blossomed into an endless supply of tiny tidbits that divide lovers to this day!

Taking a cue from the naked explorers of authentic sin, *Clash of the Couples* is a new anthology featuring a collection of completely absurd lovers' squabbles and relationship spats. Think couples fight over kids, sex, and money? Think again! Furniture, the last beer, and where to store the placenta are what genuinely ignite our feuds. And no argument is off limits. This book has it all!

Inside you'll find a gut-busting compilation of stories such as: "Can't Believe You Ate My Sandwich," "Never Assume Anything," "Only I Can Talk About Me," and "You Want Some College Boobs?" from forty-three fearless writers. Prepare to laugh, roll your eyes, and shiver in suspense. While Eve may have had the first bite, we ate the whole tree. And made pies.

Published by [Blue Lobster Book Co.](#), *Clash of the Couples* launches loudly and obnoxiously on November 3, 2014. You'll hear us coming, but look for it on Amazon, B&N, Apple, and other places where you typically buy books. For instant updates, [follow along on Facebook!](#)
