

~Sleep Smarter~™ for a Healthier, More Successful Life

Description

I~™ve been reading the early release copy of [Sleep Smarter](#) I [told you about last month](#), and, wow, sleep is some powerful stuff!

For the longest time, I was under the impression that since I exercise every day and cook all of my meals using fresh, whole foods, that I was good to go in the health department. But, little did I know that the sleep I easily shrugged off by thinking the 5 hours I sometimes got was perfectly acceptable was actually working against all of my other healthy habits.

Isn't this quote eye-opening? See what I did there? ðŸ™,

As I make my way through Sleep Smarter, I continue to learn the power sleep has on our entire lives. So many answers about why I would still feel weak, tired, stressed, and worn out after leading such a health-regimented routine have been revealed. From brain health to performance to recovery and even your level of success; sleep is potent stuff!

There are only a couple days left to pre-order the book to not only learn the [21 Essential Strategies to Sleep Your Way to a Better Body, Better Health, and Bigger Success](#), but to earn some [awesome pre-order bonuses](#).

Just one book pre-ordered will get you:

- \$25 Thrive Market Gift Card + 1-Month Free Membership
