

I Made the Top Dad Blog List on RankedBlogs.com

Description

I'm not sure how I made it amongst the ranks of other great dads who blog, but I'm there, currently #19 out of 26!

There are many dad blogs I recognize, and some of the dads I even had the pleasure of meeting in person at [The National At-Home Dad Convention last September](#).

I now have the badge you see above proudly displayed on the sidebar to the left. If you feel like it, please give it a click and vote for my blog. I promise nothing in return besides my continued blogging and gratitude. Well, I guess that is *something*, so hopefully it's enough to motivate you for a vote. ðŸ™,

Some days are easier than others when it comes to blogging, and since I've reduced the number of days I write a post, I feel less stressed and get to use the extra time with my daughter during the day. Blogging is a wonderful hobby for me, but family comes first! ALWAYS!

If you played a part in helping Going Dad make it on the [Top Dad Blog list](#), thank you. If not, you can vote now or do nothing, no hard feelings either way. Just the fact that you're here reading this is good enough to me, so thank you for the support to anyone who visits!

Hopefully I offer more helpful reviews, healthy living tips, and fun workouts for any level to keep you coming back. Have a wonderful day and see you again soon!
