

Touring the Fire Department: #MySundayPhoto

Description

We visited a local fire department twice this past week. We live close to a few, and paid a visit to a different one each time. This has to be the best idea for something that's free and kids love.

Avery was a bit shy in front of the firemen and the massive trucks, but once home, that’s all she talked about. We’ll have to make a trip back to see the big trucks and kind firemen again soon as it’s quickly becoming a nice break in routine, and daddy likes the big trucks too!

So far, weâ€™ve collected three firemen hats from the fire department (the first visit had two stuck together), and plenty of golden sticker badges. The stickers helped us stop a mounting meltdown already, so Iâ€™m making sure to keep plenty of those around for the future!

As always, big thanks to Darren and his never dull [#MySundayPhoto linkup](#). Check out his blog full of beautiful pics and join in on the #MySundayPhoto action!
